

Remembering Michael Prior: Palestinian Rights, the Bible, Zionism and Colonialism

A Lecture by Dr Duncan Macpherson

Father Michael Prior was a priest of the Vincentian Congregation, Professor of Biblical Theology at Saint Mary's College (now Saint Mary's University, Twickenham), liberation theologian and a well-known and frequently controversial figure in the Catholic Church in Britain.

2014 marked the tenth anniversary of Michael's death. A memorial volume, *A Living Stone: Selected Essays and Addresses, Michael Prior CM*, was published in 2006 and reissued in paperback also in 2014.

This anniversary has been marked by a further volume:

Remembering Michael Prior Ten Years On: Selected Essays and Addresses.

Both books contain examples of his writings and lectures not otherwise generally available. The launch of this volume in Scotland will be marked by a lecture to be held in:

***The ground floor seminar room at
4 Professor Square in the University of Glasgow
at 5.00pm on Tuesday 10th of March.***
